

Hi Team,

Hope you're doing well! Spring has sprung and a new financial year is upon us. Can you believe April is here already? The Binit team are working hard on some projects behind the scenes which we are excited to share with you soon.

### End of financial year!

It's vital to ensure any sensitive information is safely destructed, don't just throw out your paperwork! We offer on-site and off-site confidential shredding to aid you to comply with legislation.

Started your spring clean or thinking about it? Been thinking of getting rid of that old desk or chair? We can help you with that too! We offer bespoke one-off clearances to cater to your needs.

### Big Binit Breakfast

If you missed our past breakfasts this year, keep an eye out for our future ones!

Take a peek at one our info packs here:  
COP 28: January [Info Pack](#)

## Subscription packages

Want to get more out of your service with Binit? Upgrade your subscription package to **Bronze**, **Silver** or **Gold** now.

Request a meeting or demo today.

## New legislation in Wales

This is a reminder that from 6 April 2024, it will become law for all businesses, charities and public sector organisations in Wales to segregate their waste for recycling.

To comply with this you will need to separate:

1. Food
2. Paper and card
3. Glass
4. Metal, plastic and cartons
5. Unsold textiles
6. Unsold small waste electrical and electronic equipment (sWEEE)

If you'd like to get ahead the legislation in England and Scotland, get in touch today.

Give us a call at 01392 247 035 or email [home@binituk.com](mailto:home@binituk.com)

**Binit are thankful for your custom and are proud to announce that we have always kept our price rises as low as we can. Last year we were hit by up to a 35% price increase by our suppliers. We will continue to work our hardest to bring future price increases down to the best value for you.**
