BIN-SPIRATIONAL TALK AT ASHFORDS

Our CEO & co-founder Philippa Roberts gave a bin-spirational presentation at Ashfords LLP on last week. The staff were wonderfully engaged about all things sustainability and how they can make an impact moving forward.

Ahead of the presentation, we had organised for the Ashfords ESG team to visit Langage Farm AD Plant and DCW Polymers Ltd Plant in which they learned more about what happens to waste and gained a wider understanding of the industry.

FORCE CANCER CHARITY BREAKFAST

At the end of March we hosted a Great Devon Breakfast to raise funding on behalf of FORCE Cancer Charity.

We spoke about ESG and had the brilliant Tanya Larsen share her journey.
